Education

2020-2023

BS Computer Engineering

Lebanese international university

Expertise

- UI/UX
- Visual Design
- Full-Stack Development
- Embedded Systems
- Arduino Programming
- Mobile Development

Language

English

Arabic

French

Skills

- Project Management Skills
- Programming with HTML, CSS , and Javascript
- Java Development
- Back-end Development (PHP, Django)
- Front-end Development(React.js)
- Excellent Proficiency in Python
- Clean code Writing

Education

LEBEANESE INTERNTIONAL UNIVERISTY

School of Engineering

2020-2023

Experience

COMPANY: CODEMINDS.AI

Position: Internship

Duration: 01/8/2023 - 15/10/2023

During my 3-month internship at Codeminds.AI, I gained solid experience in Django, strong proficiency in Python, and the ability to write clean, industry-standard code. I also worked on RESTful APIs and acquired basic knowledge of Docker for application deployment.

Projects

- Task-Listing Backend Project(Django, Django Rest Framework)
- Work-management Project (Django, Django Rest Framework)
- PerfumeLand(HTML, CSS, JS and PHP)
- React.js project(API based Project on movies searching)
- Senior Project
- Controller motion sensor (Arduino based)
- Bootstrap demonstrative project
